

# C.C. Sheth College of Commerce, Ahmedabad.

## 6.1.1. Short-term, Medium-term and Long term Plan

As a part of its structured response to the NEP, the college has developed an institutional perspective plan that has identified short-term (1 years), medium term (3 years) and long term (5 years) thrust areas.

S.N.	Parameter	Short Term	Medium Term	Long Term
1	Curricular Aspects	1. Standardized course plan, Introduce electives. 2. Introduce elective courses to cater to diverse student interests and career aspirations.		(1) Review and update the curriculum regularly to align with industry trends and emerging technologies. (2) Explore the possibility of offering interdisciplinary programs to foster innovative thinking and problem-solving skills.
2	Assessment and Exam		Develop a comprehensive assessment framework that includes a mix of formative and summative assessments to evaluate student learning effectively.	
3	Online Learning	Increase the use of ICT tools for teaching and learning, including online resources, virtual classrooms, and blended learning models.		Develop a robust online learning platform to provide flexible and accessible education options for students.
4	Student Diversity		Implement policies and programs to promote diversity and inclusion on campus, fostering a welcoming and inclusive environment for all students.	

5	Faculty Strength	Recruit qualified faculty members to strengthen the teaching and research capacities of the institution.		Foster a culture of research and innovation among faculty members by providing opportunities for professional development and research funding.
6	Student Support	Implement measures to enhance student support services, such as counselling, mentorship, and career guidance.		Expand student support services to include mental health counselling, career coaching, and financial aid assistance.
7	Research		a research journal to provide a platform for faculty and students to publish their research findings.	
8	Innovation and Entrepreneurship			Create a conducive environment for innovation and entrepreneurship by supporting student start-ups and fostering a culture of risk-taking.
9	IKS			Incorporate Indian Knowledge Systems (IKS) into the curriculum to preserve and promote India's rich cultural heritage.
10	Infrastructure	Upgrade existing infrastructure to meet the growing needs of the institution, including classrooms and library facilities.		

11	Training and Placement	Organize training programs to enhance the employability skills of students and establish partnerships with industry for better placement opportunities.		
12	Extension			Engage with the local community through extension activities to address social and economic challenges.
13	MOUs and networking		Forge partnerships with other institutions, industries, and organizations through MOUs to enhance collaboration and exchange of knowledge.	
14	Quality initiatives		Implement quality assurance measures to ensure that the institution meets or exceeds national and international standards.
